

low-carb turkey dijon lettuce wrap

featured product:

big butter! plantpack™

light in carbs, not in flavor! keep this lettuce wrap recipe on hand for everything from weekday lunches to fresh party spreads.

turkey, brie and apples give it a balance of flavor and crunch, while the dijon and paprika punch it up to real crowd-pleasing flavor.

ingredients

wrap toppings:

- 3–4 large **organicgirl big butter! lettuce** leaves
- 6 slices deli turkey
- 4 oz brie cheese, sliced
- 6 thin apple slices

dijon paprika spread:

- 2 tablespoons mayonnaise
- 1 teaspoon dijon mustard
- 1 teaspoon agave
- ½ teaspoon paprika

directions

make the spread:

in a small bowl, whisk together the mayonnaise, dijon mustard, agave, and paprika until smooth.

assemble the wrap:

lay 3-4 large big butter! lettuce leaves overlapping slightly to form one large sturdy wrap base.

smear the dijon spread over the lettuce; layer on the turkey, brie, then apple slices.

roll and serve:

fold the sides inward, then roll tightly from the bottom up like a burrito. slice in half if desired and serve immediately.
