ingredients

6 servings

16 ounces [organicgirl© POWERHOUSE SPINACH BLEND ?](#)

2 pounds potatoes

1 beaten egg

1 cup all-purpose flour

substitutions

? *substitute with* [SUPERGREENS!](#)

directions

1. steam spinach and puree with potatoes until fine. place mixture in a bowl, and add the egg and 1 cup of flour.
2. knead the dough, adding more flour as required to make gnocchi firm, yet soft. mold 1 teaspoon of mixture on a spoon. roll gently with your hands. place on lightly floured surface and press with a fork. continue until all are finished.
3. cook gnocchi in a large kettle of boiling water, remove after they have floated at the top for one minute. serve with a pesto or a light tomato sauce.
